Sir

Subject - Shimoga Karnataka Sangha Building - construction of-
Grant of free site in Shimoga Town

I have the honour to state that the President of the Shimoga Karnataka Sangha, Shimoga, presented an application to the Town Municipal Council, Shimoga, praying for the grant of a site measuring 100' x 200' lying between the water tank and the Main Middle School, Shimoga, free of cost, for the construction of a building for the Sangha This site belongs to the Shimoga Municipality

2 The Municipal Council, Shimoga, after discussing the subject, in their meeting held on 29-1-41, have resolved that an extent of 90' x 200' (belonging to the Municipality) beyond 30' from the eastern wall of the Water Tank, may be granted to the Karnataka Sangha, free of cost A copy of the resolution of the council is enclosed

3 One Mr Hosodi Venkata Sastry, a prominent merchant and citizen of Shimoga Town has donated a sum of Rs 5000/- for the construction of the Karnataka Sangha, building This amount has been deposited in the Mysore Bank. Ltd , Shimoga.

4 The Government Architect, Bangalore has furnished a modified design for the Karnataka Sangha prepared in consultation with the Secretary of the Sangha This modified design together with the site plan is enclosed for kind perusal

5 In this connection I may state that the Karnataka Sangha is a registered association and has no building of its own, at present,

and they are having their office in one of the rooms of the Town Hall As Mr Hosodi Venkata Sastry, a leading merchant of this town, has donated a sum of Rs 5000/- for the construction of the Sangha Building, I think there is every likelihood of the building being constructed early The Executive Committee of the Sangha is desirious that the foundation stone of the building ~~is being~~ is laid on the 15th February 1942

6 I have looked into this matter and inspected the site The site in question is quite suitable for the purpose and I may add that the proposed structure on this site would improve the appearance of this important locality of the town by the High Road and be an ornament to the town The request of the Sangha is, I am satisfied, one deserving of special consideration and in the interests of the general public of the place

7 In these circumstances, I request that sanction of Government may kindly be obtained to the resolution of the Council for the grant of this site 90' x 200' free of cost to the Shimoga Karnataka Sangha for the purpose of putting up the Sangha building

The favour of early sanction is requested
